Non esiste nessun navigatore che ti indichi la tua strada
perché lui traccia solo quella già percorsa. La tua puoi tracciarla solo tu,
perché solo tu conosci il tuo punto di partenza.

because only he knows the one he has already covered.
You are alone in deciding which way to go because you alone know where your roots lie.*

NOTE

A black and white photograph of a forest. Sunlight rays (crepuscular rays) are visible, streaming through the dense canopy of tall, slender trees. The foreground is filled with a thick layer of fallen leaves and some small, leafy branches. The overall mood is serene and natural.

NOTE

La mia attrezzatura stava tutta in una scatola di scarpe,
ma mi bastava per capire che il mio sogno era possibile.

When I started, all my work tools could be contained in a shoebox.
Yet, they were enough for me to understand that my dream could become reality.
